A message from Jeannae

Sisters, we had a wonderful meeting in September. We initiated Miranda Poole. Miranda is a kindergarten teacher in the Independence School District. She is excited to share her experiences with us and take advantage of all that DKG can offer. We are going to the National Archives on a Fall Field trip with Chi and Alpha Rho on Saturday, October 24. Let's car pool! It will be so fun! Call Jeannae at 816-365-4759.
